Pata nahi main yeh sab kyun likh raha hoon, pata nahi kis baat ka darr hai. Bakht, ab bohat ho gaya hai, please. Tumhein sirf meri negativity hi dikkani hai toh ab bas kar do. Mujhe ab kuch zyada nahi kehna, Bakht. Mujhe koi safai nahi deni. Sirf itna kehna hai ke please, ab bas kar do.

Tum sahi ho. Aaj is sab ko ek mahina poora ho gaya hai. Khud se hi pooch lo, har jagah se block hone ke baad bhi kya koi aisa din guzra hai jab maine tumse maafi na maangi ho? Bakht, tumhara saara ghussa, saari narazgi jaiz hai, lekin itna bhi toh mat karo na.

Paanch saal mein hum sirf larhte hi rahe hain, Pehle 7 mahine, phir 3 mahine, phir 3 mahine, phir 2 mahine, phir 3 mahine, phir 1 mahina, aur ab yeh sab. Yeh sab nikaal do toh peeche sirf 3 saal hi bachte hain.

Bakht, baatein karne lago toh khatam nahi hongi, lekin purane murde ukhaarne se agar sab kuch theek hona hota, toh pehle hi ho gaya hota.

Teen baatein jo tumhare dimaagh mein fixed hain, Bakht, main chah kar bhi zindagi bhar tumhare zehan se nahi mita sakta. Woh meri ghalti thi, aur main usse inkaar nahi kar raha. Lekin please, agar aaj ke baad woh teen baatein dobara na hon toh?

Main un baaton ke liye aaj tak khud ko maaf nahi kar saka. Aur-jab-jab hamari koi larai hui hai, unhi teen baaton ka zikr karke mujhe aur neeche giraya gaya hai.

Message pehle hi bohat lamba ho gaya hai. Pata nahi tum parhogi bhi ya nahi. Mujhe abhi bohat kuch aur bhi kehna tha, lekin nahi kahunga, kyun ke maine ghalat kiya hai. Aur jitna zyada bolta jaunga, utni hi apni safaiyan deta jaunga.

Bas, Bakht, ab aur nahi. Please.
